SPIRIT

Janet,

Um so thankful that we met. Just think if it wouldn't have been for those 2 slugs (just kidding) we wouldn't know each other. You're a really nice girl and Um looking forward to getting to know you better this summer. Will all do alot of stuff together. It'll be fun. Take Care.

God Bless,

Sandy

Janet

You have been a help to me especially in biology where I'll probably get a D. I hope you Band next year so I'll have someone to corrupt. I hope you have fun this summer and I'll try to write you from Alaska. Have fun at the Yonagtype

If I could save time in a bottle,

The first thing that I'd like to do

Is to save everyday
'Til Eternity passes
away

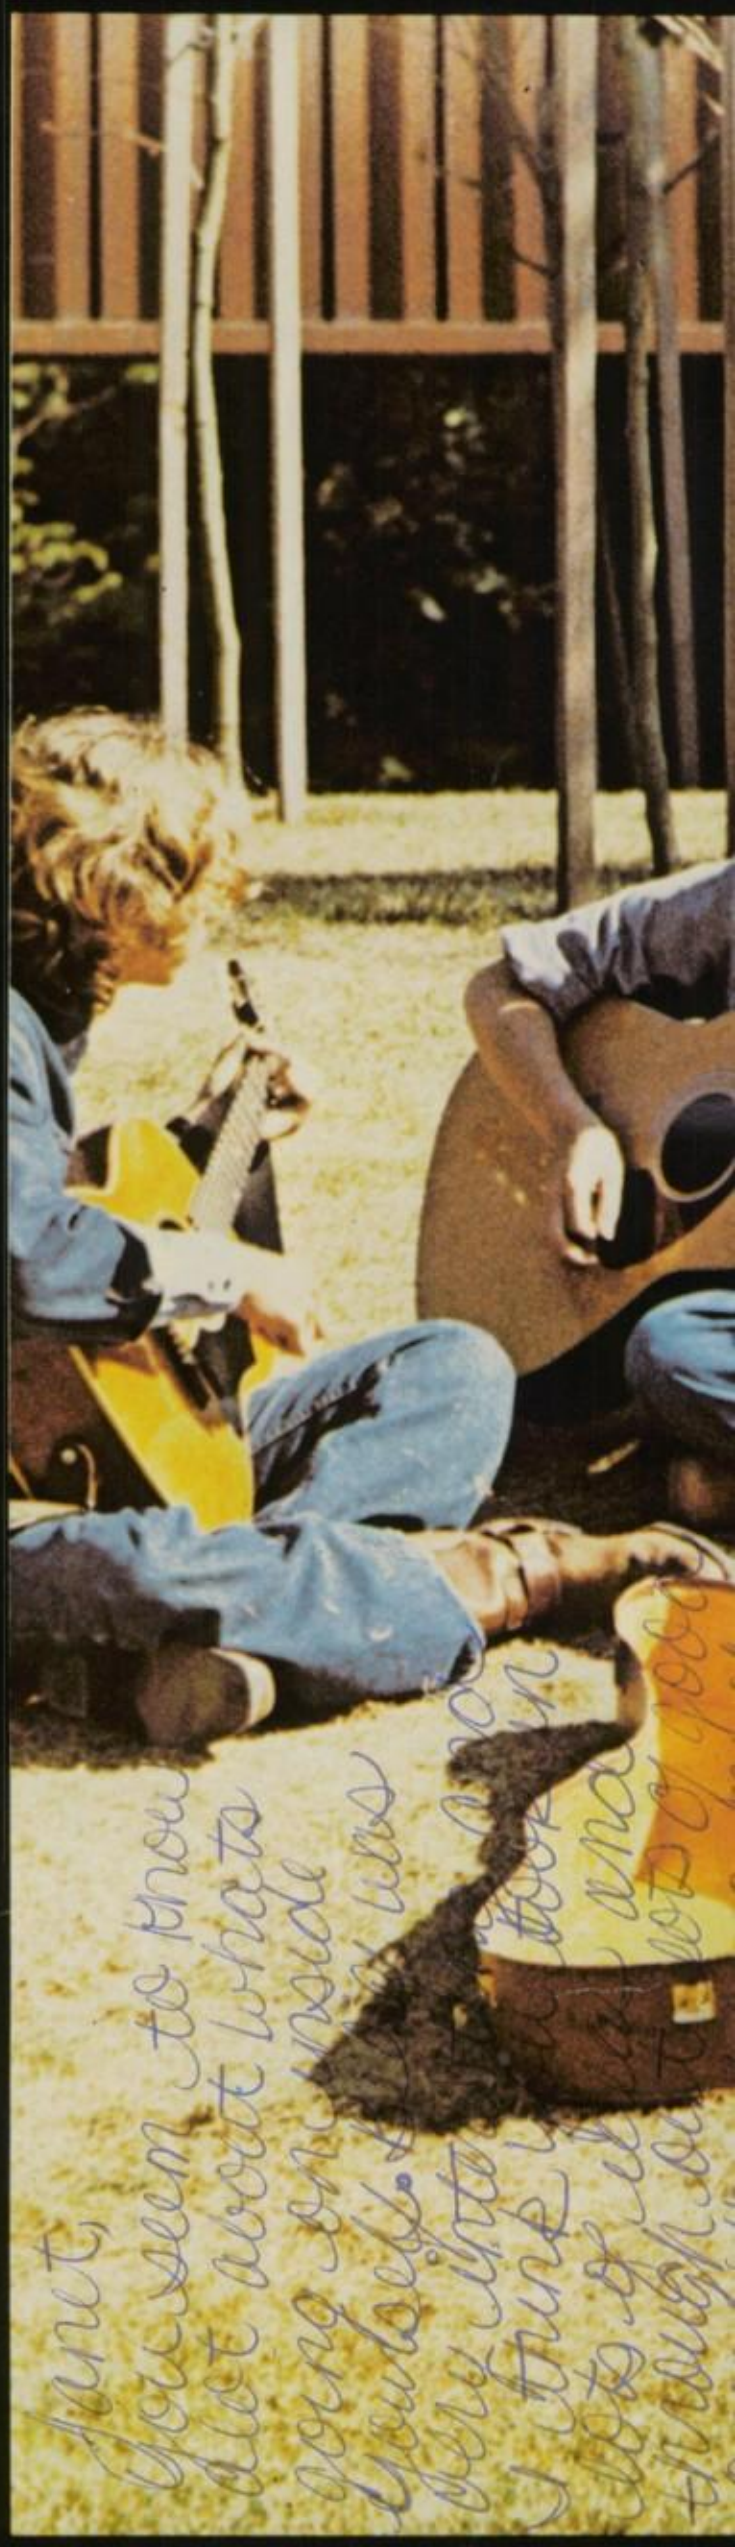
Just to spend them with you

If I could
make days
last forever

If words could
make wishes
come true

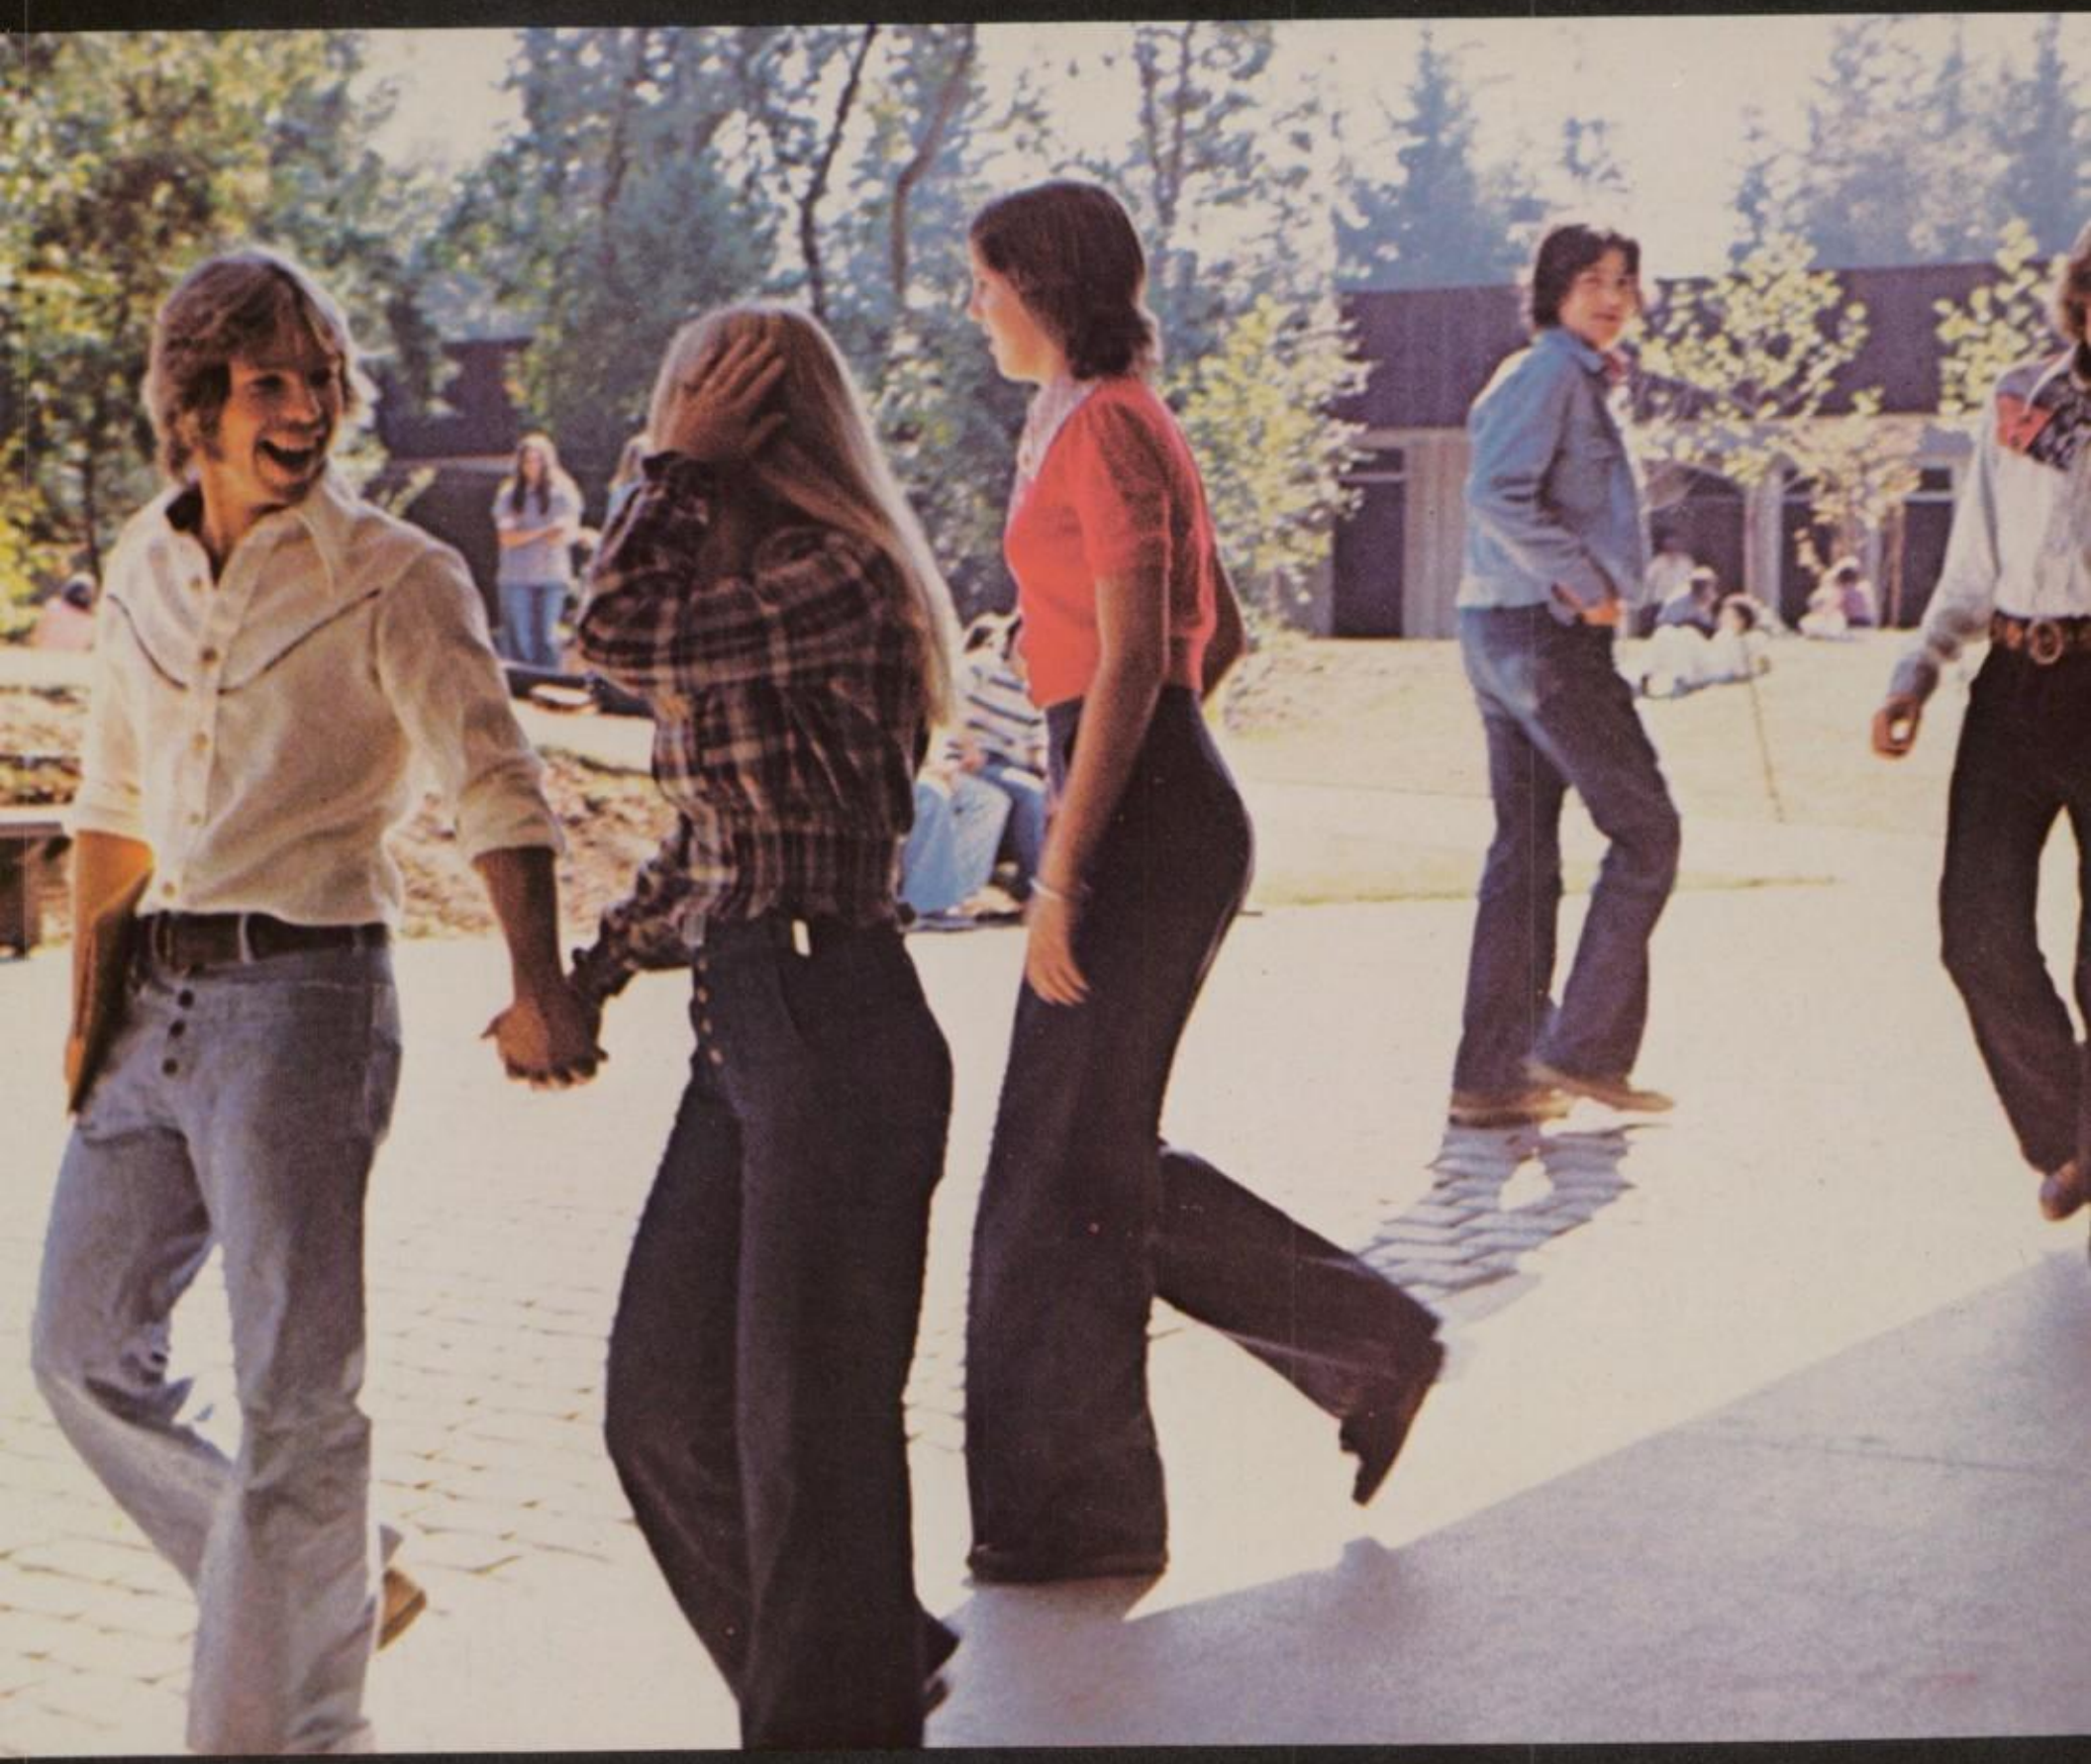
I'd save everyday
like a
treasure

and then,
Again, I would
spend them
with you.



Janet, It's been real knowing you. Especially you. You've been a big help. I don't know anything about Roquefort either, and of course Pisces de six. We'll have to get together sometime since we live so far each other. Next year we can be just classmates again. Have a great summer and I'll see you in the fall. Love,

But there never seems to be enough time to do the things you want to do once you find them



I've looked around enough to know that you're the one I want to go through time with

If I had
a box just
for
wishes

And dreams
that had
never come
true

The box would be
empty

Except for the memory
of how they were
answered by you

LEARNING

Dear Janet Zim:
I hope that you enjoyed
me bugging you and your sister
last year. I realize that it takes a while
to get used to Bellevue. I've been working on it for
18 years to no avail. Have fun in D.C. next year and
I'll come to your concerts.

This year's sophomore class was the largest in Interlake's history. Their great enthusiasm and participation has left a goal for future sophomore classes. The sophomore class has supported our school's various sports teams and has contributed their time and ideas to the school's programs. Keeping this in mind we would like to say to the sophomore class. . . .

Janet,
I didn't see you much this year did I? Except at your locker. And watching you play your flute! You always enjoyed playing at the games I know! Weren't you just totally excited about your junior year! I bet you just can't wait for the senior one to come around! Have a marvelous time eating the guys, etc.

Love,
Heather

SPIRIT OF 76

This year, the Junior class was the largest class in Interlake's history. Being the "class in the middle" the Juniors had the task of trying to prepare themselves for their final year at IHS. Raising money was the main goal; by raising money with the help of the officers the class did fairly well.

Janet - Well this semester is finally over! I'm glad is away but the fact that I won't see some people, like cutie Byron, (ha) until next year makes me sad. I hope you and I see you this summer. We should go back to Tarelles and flint with Greg sometime! He's such a cutie and I know he's in love with me! (I wish!) Going to Pat Hanley was a lot of fun too. I figured out that night that we are, both Dora Dependables. I don't know about you, but I'd much rather be a Patty Popular, or Susan Sexy than a Dora Dependable! What else can I say besides have a good summer and stay out of trouble.

Janet,

Thanks for all your help this year in French 2 Belief and thanks also for the interesting and enjoyable conversations we've had. I have found that many of your ideas & values are similar to mine or those that I really like. I really enjoy the challenge of writing in these weird spaces. I'm glad you took Belief this semester. This class has been much more lively & you've contributed a great deal of that. I hope that this summer will be really nice for you! I think I'm going to absolutely love my vacation Relaxation! There are no adjectives that can possibly describe our English Department. There are no adverbs to describe how well they did. The only nouns we can use seem to be: (from left to right) Phil Barber, Joylyn Phelan, Joyce Makous, Jim Hall, Jan Sommers, Sarah Tidwell, Rick Hart, Mary Seaborn, Nancy Jones, Pat O'Hanley, Jan Sutherland. The sentence that seems to sum up this department the best would be: FANTASTIC!

IHS foreign policy is to get students involved in discovering different parts of the world. Students explore the many parts of the world, the foreign becomes familiar, and the language becomes their lingo.

The teachers participating are Lynn Hall, Jerry Bennett, Gordon Dickman, Jan Miller, Herminia DeDamn.

In the English language we would like to say - Thank-you.

Even though more chalk may be used in the math department than any other, and more erasers worn down, and more books written in, we all feel it's worth the expense. The teachers, Mr. Loop, Mr. Penewell, Mr. Robbins, Mr. Kuehn, Mr. Rasmussen and Mr. Michaels, have contributed so much of their time, energy, and patience, to us, they are priceless!

MARCIA BIGGS "Wonder Woman"
Highlights: Department get-togethers and J.V.'s place, breaking into our male dominated department last year as their "token woman", and having such super classes this year. Future plans: Play it be ear . . .

JULIE BOLSER "Mrs. B."
Highlight : Sophomore P.E. classes, there's never a dull moment. Winning my first gymnastic meet here at Interlake, the team picked me up and carried me to the bus where they tripped and almost dropped me. Chaperoning Senior Ball 1973. Chaperoning any school dance is a highlight. Gymnastic Spectaculor '74. Working with a great bunch of students and athletes here at "I", all the time. Future plans: Continue traveling to places I haven't been. Enjoying life day by day, and living it to the fullest.

LAURA COOK "Not Printable"
Highlights: The outstanding students and extra activities that advising Fleur de Lys and several years with the Senior Class have brought are great memories to recall. Future plans: Teach next year here.

BOB COUCH
Highlights: A most enjoyable high point was the frisbee football game with O'Hanley's English 10 class and Dr. Pickering—This memorable event took place on a field trip to Golden Gardens Park. Future Plans: I plan to continue at Interlake High School.

GORDON DICKMAN "Gordy"
Highlights: A student came up to me after class one day, touched me on the arm and said, "Thanks for working with me today. It really helped." That comment meant a lot to me and I've never forgotten it. Future plans: Visit my spiritual inventor on an island in the South China Sea.

ROBERTA ENGELSEN "Dovey"
Highlights: Nina Butorac and her Brakeless-Breakless bike. Cathy Brigden as the most ingenious Art Festival chairperson. Brian Cornish's quick-draw butterflies. Being an advisor to The Art Company Club along with Jan Sivula. The discovery of all the artists in the sophomore class- John Summerford, Terry Olson, Vicki Niswonger, Kjell Godo on and on . . . Future plans: Continue teaching at Interlake.

LEN FELLEZ "Mr. Follette"
Highlights: My highlights center around witnessing all of Interlake students' successes in athletics, academics, and personal growth since we've been open- primarily just contributing my small part in developing a super atmosphere— the "Interlake Spirit." Future plans: Complete an administrative internship at Interlake; start on my Doctorate in Administration in 1976. Eventually move back to Hawaii and hopefully contribute meaningfully to the Department of Education—State of Hawaii.

TOM FLYN
Highlights: I am proud to have been associated with an interscholastic program that has had unbelievable success these past eight years. Future plans: None at the present time.

BOB HALL
Highlights: I enjoy being associated with Interlake's enthusiastic student body and "great attitude" faculty. Interlake Soccer is the greatest.

JIM HALL "Mr. Excitement, this is the only printable one."
Highlights: The highlights of my career at Interlake was being chosen to speak at Commencement, 1974. I was honored to be selected and pleased to discover that I could speak to an Opera House full of people without suffering serious, permanent fright damage. Future plans: I would like to stay at Interlake. I like the subject I teach; I like being around young people; I like the great majority of my colleagues; and I need the money.

RICK HART
Highlights: Growing with Interlake. Future plans: Education of myself and others.

SALLY HOPPER
Highlights: I enjoy watching the Creative Cooking students work on a one to one basis with the elementary children who come to share in the cooking experience. Some of the foreign meals prepared by this class are great! The creative projects done by all students are really a neat highlight. Future plans: Staying around Interlake as long as they'll have me because I really like it here.

LINDA JENSEN
Highlights: To finally have a winning tennis team! (First one in history of the school!!)

JAN KELLEY "Killer" Kelley
Highlights: Surviving one semester of teaching modern dance! Meeting so many fantastic kids in extracurricular activities such as drill team, track, and volleyball. Adding an advanced P.E. class to our elective P.E. program. Future Plans: Continue teaching until I go to the big gym in the sky!

JOHN KUEHN
Highlights: Everyday is a highlight. Future plans: To live and teach in Europe for a few years, then retire to the South Seas.

BOB LEVITIN
Highlights: Being a part of a coaching staff that helped achieve KING-CO championships in Varsity football, J.V. football and baseball in 1974. Also a personal satisfaction in 1.) working with some tremendous people, both staff and students. 2.) defeating Bellevue in sophomore football game in come-from-behind win in 1973. Future plans: Continue at INTERLAKE, coaching and Instructing in 20th Century and American politics—depending on position availability.

FRAN MAYESKI "Pesky Mayeski"
Highlights: When SOMEONE put pepper in Prep 4's Coffee Urn. Future plans: Increasing my peskiness potential.

FRANK MICHAEL
Highlights: Coming to Interlake in 1973 after ten years of teaching and coaching in Tacoma, assuming classroom duties in mathematics and coaching responsibilities in football and basketball. The undefeated championship football team of '74 and getting to know the students at Interlake have been the highlights of my two years. Future plans: To become more involved in school and community affairs.

FERN MILLIGAN
Highlights: The real highlight is having students who have graduated stop by to say "hello" and tell me about their present activities and plans! A few minor things are falling over an electrical outlet in the floor, having crabs or snakes or other "creatures" wandering around in the Science building. Future plans: Traveling and visiting our grandchildren, 3,000 miles away.

LIELA NICHOLAS
Highlights: Knowing this year's senior class; intramural basketball and softball last year; having a desk in the English prep room for 1½ years; self-others in spring of '73 and photography lab. Future plans: To remain at IHS.

PAT O'HANLEY
Highlights: It would have to be this year with journalism and annual. Most fun I've ever had in teaching. I think Dog Day is another highlight each year for me, but it makes Dr. Pickering nervous! Future plans: To get an adequate budget for the newspaper and to bring my dog to school.

FRANK OLSHESKI "Mr. O"
Highlights: Super Students, Great Faculty and Administration, Fast Classy Cars, Foxy Women. Future Plans: Try to survive the rest of the school year and prepare for the next.

MARSH PANCHEAU "Panch"
Highlights: Having Mrs. Olson as an assistant in providing one of the "best media centers" around .... getting more portable TV equipment. Being selected as the "key operator" and "care taker" of the Xerox Machine. Future plans: Beat Inflation!!

ROBERT E. PICKERING "Pick"
Highlights: When you request the impossible, you get the impossible! However, since you insist, I'll do the impossible. The highlights of my years here at Interlake are: People! Short, tall, wide, thin, but predominately friendly, considerate and helpful people! Future plans: To survive and while hopefully accomplishing that strive to do what I can to make Interlake, our community, and the world better for our presence—not necessarily being loved or appreciated, but remembered for having contributed as my conscience dictated!

JOHN PRICE (deleted expletive)
Highlights: Having Rick Hart come back to Interlake as a teacher; the reality of a student center; the student rights code; the staff; the students; girls' sports; many friends; happiness! Future plans: To devise new ways of creating student unrest and confrontation so that my job will continue to be necessary.

JAN SIVULA "Siv", "Miss Siv"
Highlights: Having my car decorated "ecologically"—hitting a home-run in the Women's faculty vs. Student Softball game; MAN OF LA MANCHA orchestra; teaching Chemistry for the first time; knowing students as friends; my arguments with E.S.; pineapple from Hawaii; working with good people; Bellevue Irrigation Festival queen contest; "Say Hey" Future plans: Enjoy life; go back to school; spend a year in Finland.

MARK J. SMAHA
Highlights: Being associated with Interlake athletics and the many fine people involved in them. Future plans: Continue in sports medicine.

ROBERT W. STEADMAN "Bob"
Highlights: My fifty years here at Interlake: The youth of this facility have been very good to me. Some show up for class which builds my ego. Others miss class or fail to show for make-ups. This provides me an opportinuty to keep in good physical condition as I jog about the campus gathering the flock. Future plans: To continue ego development and physical conditioning here.

JANET SUTHERLAND "Bulldog"
Highlights: The fancy dress-up day in the English department when all the women teachers wore "Lady" clothes and shoes and make-up and stuff and one of my students told me I really looked nice that day. Future plans: Growing older and more irascible.

SANDRA M. TRAYLOR "Sandy", "Mrs. T."
Highlights: Four years in the attendance office will never be forgotten. Report card time is always a traumatic time of year. Vacation! Most of all just being here and meeting some great individuals of all ages. Future plans: To retire and travel more.

MARGARET UNRUE "Maggie"
Highlights: Two—playing Yenta in FIDDLER ON THE ROOF; going with the choir to the San Juan Islands to play and sing before discerning audiences with good taste. Future plans: Unknown at this time.

GARY VAUGHN
Highlights: The summer of 1972 was my highlight when I left Bellevue to go to Europe and the Middle East; it was so exciting to find out how much I really had changed. Getting acclimated to my past surroundings was so refreshing and comfortable. I am anxious to have similar experience next summer.

ROBERT H. WESTON
Highlights: Having roared screaming into this eighth year of Interlake, the last year for Class of '75, I'm not so sure I want to be looking for highlights—especially dredging them out of some graveyard past. A lot of people cultivate lowlights for highlights. Midlights remind me of mid-day and lunch with friendly students who talk with their minds full... Future plans: To either find a sunset or a warm bath to ride into...

BILL WORTMAN
Highlights: Changing schools is often a test of your belief in people. My highlight of the year are those friendly open students I have found. As we enjoy this open environment we all need to acquire something of value to stand for or we are apt to fall for anything. Future plans: I really do enjoy teaching and hope to continue in that activity. If I can keep from getting wiped out by the economy I hope to be able to enjoy fishing and hunting and camping with my family.

Jan- I'm really glad I got to know you this year! We sure had fun blabbing. Remember 7/3! I'm sure glad this years over and summer's here. Why don't you come on down this summer?!?! You're really a great friend, and I feel really lucky to know such a neat, nice bird! Well both of us finally did it! We got our licenses! Did you know that right now its approximately 12:37? my mind has just gone blank + I can't think of anything to say, + I know I want to! Crazy, huh? Well anyway, I'll see ya this summer, will have one of our famous "blab sessions!"
Take care, love ya,
Deb

Dear Janet,
Two years of almost French and its almost all over! (Mince! But admit, it was fun! (For an all-girl class!) I'm going to get "Sybil" and read it this summer! Well, I hope you have a good one, and I'll see you next year. (Or may be you'll get stuck behind my desk again!)
Au Revoir!

Janet,
Remember when the car smelled so strange driving who ever that girl was (from band) home. I think your one of the pretty-est girls in our school. ~~When are you going~~ WOW'S! I can't write that because I'm supposed to know who you like!
Love Julie

P.S. Were (Eileen & I) going to Ted's house June 11th for his birthday want to come ???

Order in the Court

President: Jim Gordon

This year's ASB staff was made up of an ambitious group consisting of Jim Gordon, President; Mickey Watson, Vice-President; Rose Ollis, Secretary; and Cary Davis, Treasurer. A major product of the ASB was to get all school clubs involved in supporting the student lounge. This lounge is planned to be built in the foyer and the ASB has managed to get everyone involved. Total student involvement seemed to be an important part of the success of this year's ASB. They have worked hard in improving the school and they deserve much more credit than they are given for all the "behind the scenes" work they did and decisions they made, as well as all the major problems they tackled.

The Spirit staff was made up of 25 energetic members. It was a new challenge for most of us including our advisor, Pat O'Hanley, who had no previous experience in this area. The staff consisted mostly of rookies, except the editors, and despite the constant pressure of deadlines, we managed to put it together with a lot of hard work, enthusiasm, and determination. Each member became experienced in the area he specialized in and found out just how much time and effort it takes to build a book with SPIRIT.

This year's Soothsayer staff had a big change as the reins were handed over to Pat O'Hanley. Some things didn't change, however, like the recurring deadlines and the ever constant "is there enough copy" worry. Pat O'Hanley learned about this all too quickly, but with the help of the constant prodding and the expertise of a number of returnees from last year's staff, the class, one of the largest yet, came through. Pat O'Hanley's comments about the class were, "The class is large, energetic, active creative, funny, exasperating, maddening, and every two weeks they get out a newspaper . . . REMARKABLE!"

This year's homecoming was a success, thanks to a great homecoming committee. Their work started when school opened and didn't finish until the dance on Friday, October 18, 1974. Homecoming could not have been possible this year without the enthusiasm and participation of Interlake's students.

PEP was the key word for this year's Pep Club, which consisted of about 30 girls. The girls met about once every week to make posters and locker signs for the various sports. They also attended a banquet put on by the Mercer Island Pep Club, which highlighted the girls' year. Mrs. Williams was the club's advisor.

Homecoming '74
Activities

SO HAPPY TOGETHER - really expresses the unity that was felt this year. Students truly seemed to participate in great numbers like never before. The big week began on Monday with an assembly featuring the cheerleaders--of both sexes. Tuesday was formal day where tuxes and formals were seen casually throughout the day. Wednesday was the Grub day where all students contributed their casual styles. Thursday was class distinction day where Sophomores wore their guns and holsters and saloon girls were seen strolling the halls. Hollywood seemed to come to Interlake as Juniors were elegantly dressed in the clothes of the stars. Girls (!?) appeared with unshaven legs and beards; while boys (!?) wore makeup and unusually long hair, as Seniors seemed to change sexes. Thursday night held more in store as a pep rally was held to inspire the crowds. The whisling Petes seemed to pipe up the spirit. The football team also received engraved charms. Hopes were held high as the royalty was then announced. Joy was obvious on the faces of the queen, Toni Puzzo, Senior princess, Sue Plummer, Junior Princess, Nancy Mundt, Sophomore Princess, Julie Hayden, as their names were announced. Friday, the last day of Homecoming week was blue and white day; the day was great but the night was yet to come. The game was a big success with the score at the half 18-0; then came the events. A float in the shape of a football rolled on the track pathway, then came the crowd catcher. Corvettes glimmered as they streamed down the track carrying the royalty on the window ledge. The escorts, Neil Morris, for the queen, Senior escort, Pat Delorie, Junior Escort, Bill Harper, Sophomore escort, Dino Simone, assisted them out. The queen then received her crown; the entire royalty received engraved bracelets and were driven off. The 73-74 pep-staff then came back to do a nostalgic cheer from the past. The night ended with a dance featuring Tamara, a soul band, who were a great success with their audience. We all were so happy together.

Again this year, the active Bernadettes marched their way through and to a victorious season of sports. Their outstanding ability was shown in their performance at all home games. A special football routine was presented at the Homecoming kick-off assembly, where showing their imaginative ability, they were a great success. Hours were spent diligently working, in and out of school, and as seen by all the routines were worthwhile and were displayed beautifully and enthusiastically. Through unity, the girls were able to express themselves, and at the same time create an air of spirit. Each and every Bernie looks forward with "pep" and hopes of doing well in the annual state competition, held this year in Everett. The Bernies would like to thank especially their captain Kim Amis and advisor Jan Kelley.

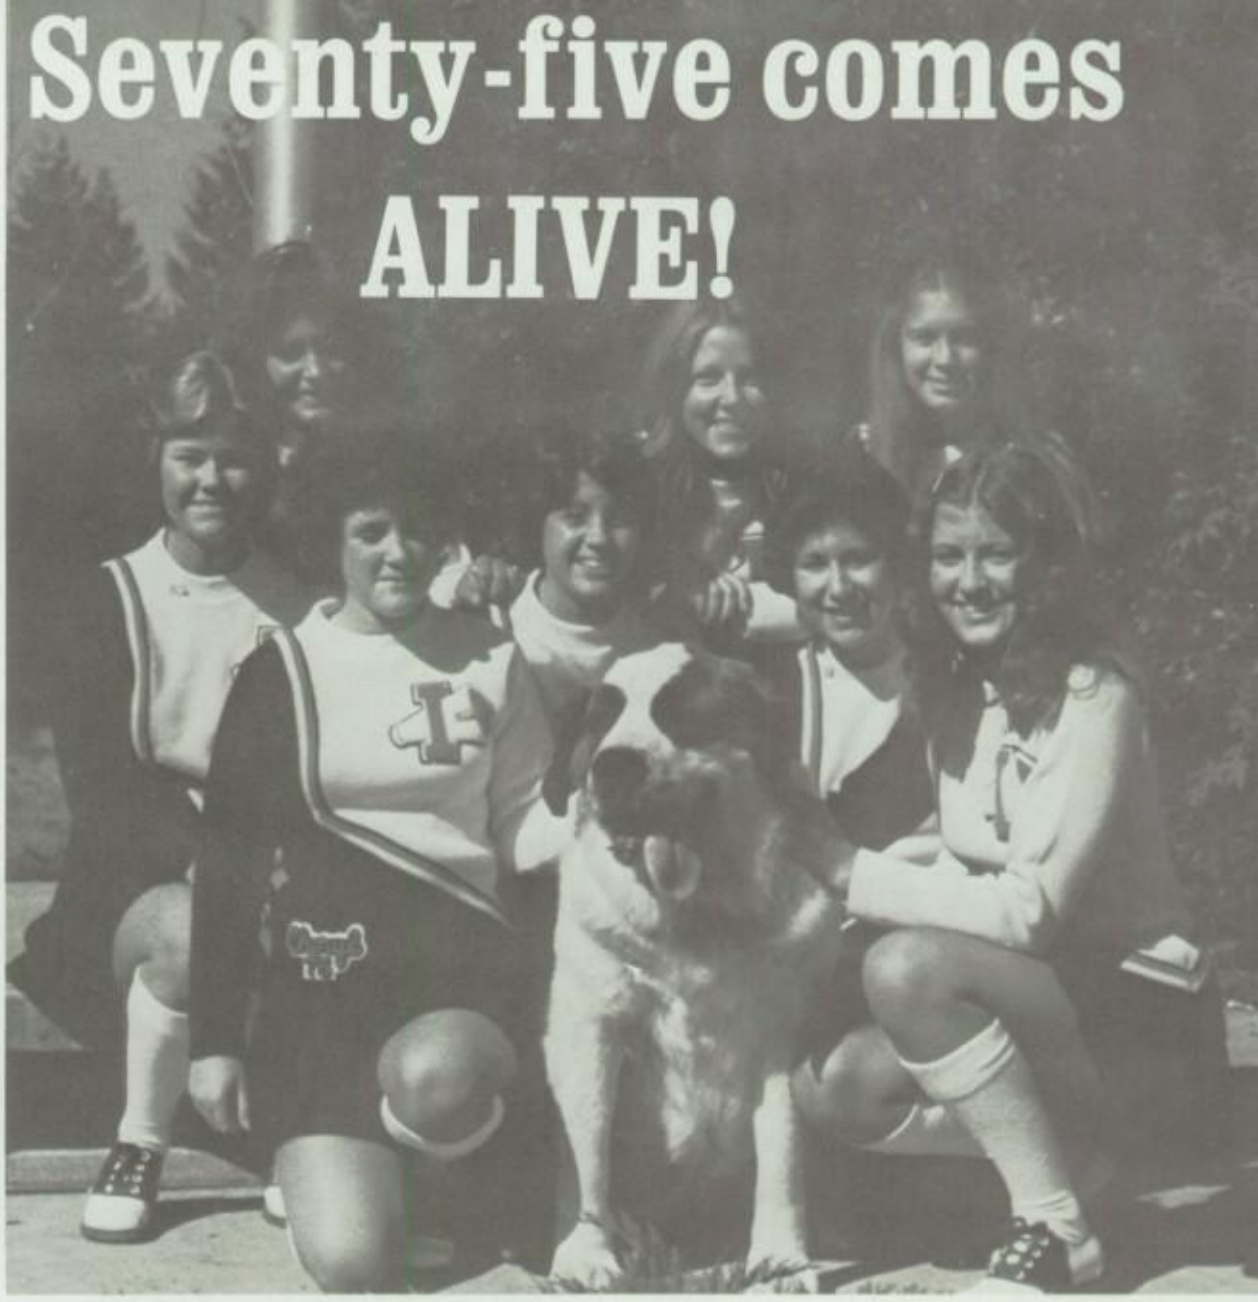
Seventy-five comes ALIVE!



"What you see is what you get"--part of one of the cheers certainly proved true throughout the year. This year's pep-staff had posters throughout the school and it has been said they have awakened more school spirit than in all the years since the opening of the school. They consisted of Cheryl Hammack, Kathy Cox, Kelly Beckwith, Amy Jacobson, Jami Raines, Beth Hartman, Cheryl Gilbert, and Laurie Parks. They were a great group and a team the school was proud to call their own. "Cheers" to the '75 pep staff.

3.0 or above qualifies these students to be members of CIA-Creative Intelligence for Action. The group participated in many activities this year. They were headed by the Co-Presidents Debbie Rich and Wendy Gissing. Secretary Nanette Schresser, and Treasurer Gordon Oakes. The group had a very successful year with all students proud to be considered members.

SPADES = CARE

President Rose Ollis

Advisor, Miss Angele Zeitjan

Never has there been a more concerned, caring group. Their main purpose is helping others help themselves. Spades is oriented to making people feel wanted, needed, and a part of today's active society. All year long they perform many functions just to make others happy. With such activities as a Halloween party put on by all four high schools in Bellevue, a Christmas party for those at Interlake Manor and many fund raising projects they accomplished their purpose. They also have a "special friend" program where each member does special activities with this special person, such as take them to dinner, games, and movies. The officers for 1974-1975 were President, Rose Ollis, and Vice-President, Pam Nelson. Advisor was Miss Angele Zeitjian.

Members consisted of Sue Kelnhofer, Karen Patterson, Diane Pietrowski, Loren Welsh, Cathy McGaw, Rosemary Ollis, Pam Nelson, Laurie Ridley, Debbie Hoffer, Linda Witham, and Linda Lenschow.

No Peace in this Group

President, Kevin Kussman

War Games Club consisted of a group of students who met to play several games of war: Midway, Bismark, Chess and others. These were all games which required concentration, thought and strategy. During the year they declared war with Issaquah's NROTC as well as other schools. Kevin Kussman was Club President and Mr. Shean acted as this year's club advisor.

Advisor, Mr. Strickland

The requirements to be able to join the Math-Science Club are to have a 3.5 grade point average in math and science classes and to be a senior. The reason for the club is so the students will recognize their academic achievements and so that others will remember the achievements of previous members.

Student Store Manager, Mrs. Green

DECA, a club and a class combined, perfected students' marketable skills such as sales demonstration, public speaking, and job interviewing. Students also spent many hours of work in the student store as part of their class. Interlake had two chapters of DECA indicating the strength of its program in '75.

DECA creates vocational understanding but doesn't stop there. The club made healthy donations toward groups such as Neighbors in Need, Toys for Tots, Interlake's Gazebo and the March of Dimes. They participated in a number of tours, seminars and workshops. Club chapter presidents Dan Smart and Jim Hirst set a precedent for the state by both becoming state officers, Dan as State Vice-President and Jim as State treasurer. They ventured to Seattle, Portland, Oregon, and later to Hollywood, Florida, in their representation and participation of our state in DECA's national convention.

Piccasso's Playground

President, John Summerford

The Interlake Art Club was formed this year with the help of Roberta Engelsen, art teacher, and John Summerford, club president. During the year the club worked on special projects and went on field trips to Pioneer Square and to different art galleries throughout Bellevue and Seattle. Pictured below are, from left to right: Valerie Lambert, Mrs. Engelsen, Patricia Warde, Carol Matheson, Paul Dexter, Anita Hall, John Summerford, Vicki Niswonger, Nina Butorac, Preston Kabinoff, and Ann Carlander.

Let's make an Appeal

The Appeals Council consisted of seven people especially chosen by the administration and ASB officers. It provided students with the opportunity to question disciplinary decisions. The Council hears the appeals and has the power to repeal previous judgments. President was Dan Smart and Secretary, Carol Case.

Janet,
Wow, it's weird to think I didn't even know you last year & this year I consider you a friend. I'm really sorry you couldn't come to Victoria - we missed you. Band has had it's ups & downs that's for sure - but the best part was listening to you correct Mr. Dodds ~~annual~~ grammar. Well this isn't good-bye 'cause we have next year - you better be in band or I won't have anyone to tell to be on time!!

The Spanish Club, made up of interested students and advised by Senora DeDamm performed many projects this year. They had Spanish plays, cooked in Spanish, and learned to appreciate the taste of Spanish food when they ate lunch at a Spanish restaurant. A special Mexican restaurant put on by Interlake Spanish students to be attended by all Bellevue Spanish students was held in the Spring. The Spanish Club not only had fun this year, but learned Spanish and its customs.

Call me up over the summer & we'll do something, Kay?

Bye for now...

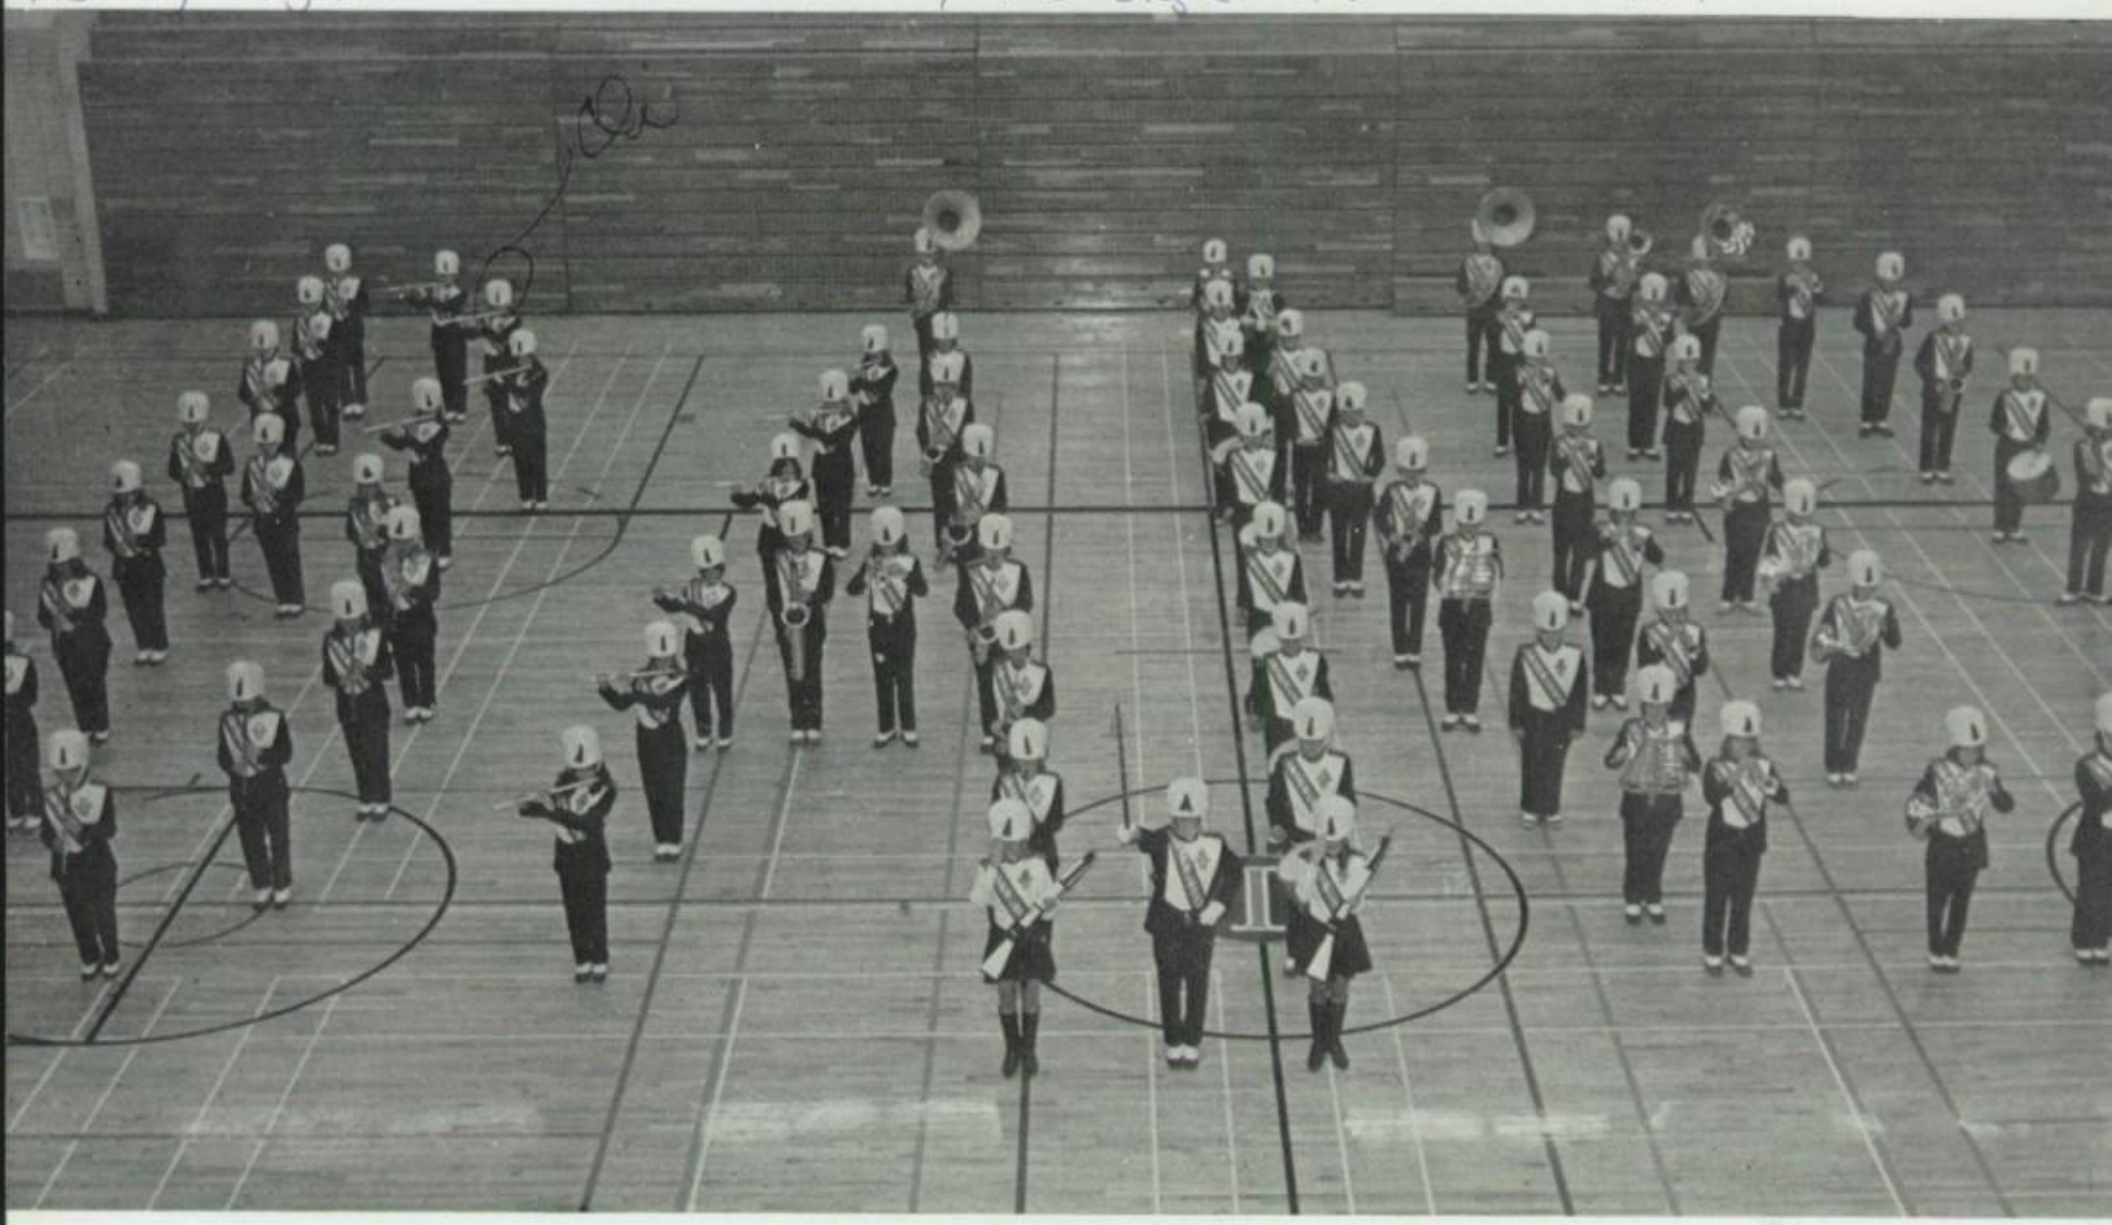
Mr. Bennett

This year French Club expanded its membership with many people participating on and off throughout the year. The beginning of this year they sold stationery to raise money for activities, which proved to be really successful. They contributed some to the Student Lounge "Gazebo" project, helped with the holiday international dinner in December, are planning to go to a French restaurant in Seattle, and will hopefully take an end-of-the-year trip to Vancouver B.C.

Hi Jane! Here we are! Well I have certainly enjoyed being in the flute section with you. Even if you couldn't come to Victoria.

You are a good flute player—I hope you keep up with it. Oliver was a blast—having fights over who sits by the stage—and that one hard part in "Where is



Once again our Concert Band acted as the Pep Band to promote spirit at games and assemblies, but this year with more enthusiasm than ever before. With new "dazzling" uniforms, they appeared at every home game, marching our team to VICTORY!

"Kantorians"

"Kantorians" Concert Choir have again sung throughout the state, qualified four members in the All-Northwest Choir, and participated in special performances throughout the year. They sang with the Bellevue Philharmonic and the Cascadian Chorale. They also sang at the Opera House Concert and completed a Spring tour. The Interlake Chamber Choir, which is made up of 18 top voices from "Kantorians", sang numerous concerts around the state and was featured in the All-City Concert at the Seattle Opera House. The choir also sang at County Executive John Spellman's Christmas reception and took top honors at the KingCo solo-ensemble contest.

The advanced Girls' Ensemble, better known as "Heather", experienced one of its finest years, with high honors in festivals, Opera House appearances, and an invitation to participate in the Hawaiian Music Festival. All but one of the seven members involved in this group are seniors this year, and it will be sad to see them go.

The Stage Band was constantly on the move this past year, showing audiences what was possibly the best Stage Band Interlake has ever had. They traveled to Vancouver, Victoria, Pasco, Bremerton and gave many other performances in the northwest. The big project for the year was raising funds for the Orange Coast International Jazz Festival in Los Angeles in which Interlake participated. Dedication is what is required to make an outstanding Stage Band, and this group showed as much as possible from a group of 23 high school students.

During the year, the Interlake Chamber Orchestra has performed throughout the Northwest, including such events as the King Co. Festivals, the Seattle Metro Festival and the All-City Music Festival. They have also appeared at the Opera House and the Gresham, Oregon, Festival. They combined together with the wind players from the concert band for a full orchestra. As a whole they were all very pleased with their success this year.

Band Director Mr. Dodd

Janet,

You have a black mark on your face just to the left of your nose. Then you have a little black under your eyes. Remember too, Oliver when we had to try to make it by ourselves. "I understand." It's been a fun year sitting next to you, and I'm glad you never challenged me. Take it easy your senior year and I hope your year is as wild as mine was.

Janet,

Too bad you don't know much French. I wanted to talk to you in French but I guess I'm just too advanced for you. Maybe next year. Aren't you glad I was in your biology class? Without me you probably wouldn't have passed. (Or is it the other way around?) One last word of advice. Don't let Ron corrupt you. Let me do it!

Their biggest event this year was the annual Tolo, from which $300 was given to the "Gazebo". It was a great success. Among other things, they were hostesses, ushers, sold tickets and programs at games and school events, helped with registration, gave tours of the school and put on the Sophomore Tea which was held in the summer. They had a busy year contributing to many school activities.

"You have to be positive and just like in life you have to want to win."

Stressing teamwork and positive mental attitude all season, head coach Rollie Robbins, in only his second year at Interlake, led the Saints to a perfect 10-0 record and the KingCo title. Attaining a third place ranking in both state polls at mid season, this year's team could well have been Interlake's best. The student body would like to thank Coach Robbins and extend its congratulations on a job well done.

A Winning Combination

GAME 1
INTERLAKE-19 Issaquah-0

I guess a lot of things can be said about the Issaquah game regarding what was in store for me. For example: It was the first game of my last football season in high school; it would be the start of my assault on the KingCo interception record; it would be all sorts of different stuff to talk about. I think the thing that got me most though, was that since it was the start of my last season at Interlake, it meant that after the season was over, it would be the end of knowing a lot of the guys that helped put together the winning season we had.

GAME 2
INTERLAKE-47 Lake Washington-6

Our first away game provided us with the second win of the season. This game proved to be our revenge for last season's unexpected loss to the Kangs. The interior line was superior in their efforts which allowed the offense the opportunity to gain 431 yards. The offense acquired the confidence they needed for the season that night.

#41-MARK ACCIMUS

GAME 3
INTERLAKE-23 Sammamish-6

The Sammamish game gave some of the members of the team their last chance to play against some old friends. It also showed us which team had the better coach. People could say it was luck last year, but not now.

GAME 4
INTERLAKE-41 Newport-16

The Saints went into this game with a 3-0 record and a lot of pride. The Knights showed a lot of effort in jumping to an 8-0 lead and in turn this kept their spirit up. When Tom Flick was knocked out of the game, the team was really determined to win. Scoring right away, we began to play the kind of game that would give us our fourth straight victory.

#20-MARK RUNYAN

GAME 5
INTERLAKE-54 Redmond-0

What can be said, other than it was as close to total annihilation of a football team as possible. It was a great team effort even with two of our starters out with bad knees. The defense did an unbelievable job of holding Redmond, and against their then number one rated defense our offensive backs had a super game. The score tells the story as well as anything.

#51-FRED WICKNICK

Ross Pfann

GAME 6
INTERLAKE-27 Bothell-6

For the first time during the season it was plain that we were lacking a good mental attitude going into the game. We eventually had to find it at half-time after leading only 7 to 0. The thing that caused this turnaround and lead us on to victory was probably the most overlooked aspect of this year's great team — coaching. Sure, we played the games, but we played the way we were taught and told to. I'd like to thank all of the coaches for the great job they did, the trainers and their assistants for taking care of us cripples and especially the cheerleaders and school supporters who followed us through THEIR championship season.

#70-CHRIS HINELINE

GAME 7
INTERLAKE-37 Bellevue-0

Bellevue was a very important game to us since we hadn't won a Homecoming game in three years. The defense held Bellevue under 40 yards in total offense and recorded their third shut-out of the season. This gave the team a big emotional lift and their 7th straight win.

#40-TOM EVERSON

Mark Smaha

GAME 8
INTERLAKE-40 Mariner-8

Even though this game was non-conference, it still had a special meaning for us. Blanchet was rated third in the state and we were fourth. We wanted to show that we were as good or better than they were, and we did. The first half was a total team effort. The second half was fun for the whole team. Everyone played and had a good time as the scored showed.

#91-KEITH NELSON

GAME 9
INTERLAKE-42 Mercer Island-12

Although we didn't need the win for the division title, we were still up for the game because of last year's loss and our desire for a 10-0 season. Offensively, we had to work three times harder than we would have on a normal drive. This was not because of the opposing offense but the combination of dense mud, water and constant smell of rotten fish. Our defense was constantly on the move in order to adjust to Mercer's shifted line-up. Everyone was working together to get the job done. The big highlight of the game was seeing Roger catch a tackle-eligible pass for his first six yards as a receiver. This game brought us one closer to an undefeated season and prepared us for the championship game.

#73-CARY DAVIS

GAME 10
INTERLAKE-26 Newport-10

The Championship game was just two different games played back to back. The first game we lost, but in the final game, the one that counted, we came back and won. The turning point of the game was definitely Eddie's fumble recovery. It really fired up the offensive line. From then on it was just a matter of time until we were the KingCo Champs. We had a great team this year and I thank all of the coaches for all the work they put in this season.

#75-ROGER WESTLUND

J.V.'s and Soph's Set Sights on Title For '75

The Interlake junior varsity football team repeated last year's performance for a 7-1 record and again took first place in KingCo. The strength of this year's team was the first unit defense which allowed only two touchdowns against them during the whole season, both when the ball was turned over deep in Interlake territory.

The sophomore team finished the season with a 3-2-1 record.

With this nucleus, plus nine starters returning from the varsity, Interlake should be a strong contender for the KingCo title next year.

Lower left: Coach Jan Kelley gives the team some last minute instructions.

KingCo competition in volleyball this season was intense and exciting. Eleven schools, much improved over last year, faced one another in hopes of winning a spot in the state Volleyball Tournament. Twenty-two girls competed for Interlake, nine on varsity and thirteen on the junior varsity team. Both teams worked very hard and enjoyed the most successful season the Saints ever had.

Bumps, sets, spikes, blocks, strategy and most important of all TEAMWORK are the essential skills a volleyball team must have to be competitive. The Saints put these skills together to defeat Lake Washington, Redmond, Inglemoor, and Juanita.

While the team will certainly miss seniors Laurel Houk, JoAnn McDonnell, Gale Whitney, Karen Meriwether and Renae Figour, Interlake will have a fine group to carry on the tradition of good volleyball.

Running Cross-Country is a means of setting up a continuous flow of biological feedback. It encourages a new awareness of what goes on inside by cultivating a sensitivity to the body's workings. It is also a means of personally evaluating, and often times exceeding, pre-conceived limitations-both physiological and psychological. Runners tread a thin line — trying to train hard enough to stimulate bodily adaptation, but not to the point of overstress.

Often times a runner feels the need to explore his or her own personal limitations-this need can only be satisfied through competition. Racing is the art of overcoming physical pain with mental fortitude. Preceding competition, the racer's mind is filled with an anguish that often times drives the competitor to the point of panic. The overall racing experience in retrospect, however, is a rewarding and pleasing one. This statement applies to running in general.

Running is like transcending to a higher level of consciousness, a concept that is hard to explain to anyone who hasn't actually participated in the activity. It is a microcosm of life itself — hopes and fears, successes and failures — they're all integral parts of the experience.

Cross country is not a sport, it is a way of life. The real renumerations derive strictly through genuine love of the activity, not through some superfluous side benefit, such as successful placement in a meet, or even increased cardiovascular health. Motivational goals can serve as an additional incentive for strenuous training, but alone, they should not be the end.

Swimmers Have Record-Breaking Season

Though the girls' swim team didn't win much, the record does not reflect their ability. This year, five school records were broken: Barb Simpson, Cheryl Stewart, Kris Cassell, Terri Ramsey in the 200 medley relay with a time of 2:09.6; the 50 free-style by Cheryl Stewart with a time of 28.2; the 100 breaststroke, by Kris Cassell with a time of 1:18.6; the 100 backstroke by Barb Simpson in 1:14.9; and the 400 freestyle relay by Barb Simpson, Kris Cassell, Judy Snodgrass, and Cheryl Stewart.

Saints' Title Bid Lips Cup

Many coaches thought Interlake would be the top team in KingCo for 1975. The Saints had a fine season going 6-2 for the year, but couldn't seem to win the big matches that would have enabled them to go into state competition in the spring.

Led by team captain Tom Flynn, acclaimed by many as one of the finest junior golfers in the state, the Saints obliterated the KingCo record for points in a match, piling up 202 against Kentridge at Bellevue Municipal. The Saints also got fine performances from junior Rod Meussner, known as the longest driver in the league, from senior Bob Gomavitz, a transfer from Franklin, and from the "Machine", senior Doug Magnuson. Senior Jeff deRoulet delivered some excellent clutch rounds and was voted most improved for the season by his teammates.

For the first time in Interlake's eight year history, the girl's tennis team had a a winning season. They easily doubled the win record of the school by coming up with 6 wins and 4 losses. The only decisive loss was to Mercer Island, 1-6. The other three losses were very close, losing by a 3-4 score. Despite these losses the team proved to be one of the strongest in the league.

The eleven member Junior Varsity was also strong and gave the team a lot of depth. Coach Linda Jensen is looking forward to a good season next year, with the experienced J.V.'s expected to replace the five graduating seniors.

The top three singles players were the backbone of the team. Linda Kuckhahn, Sandy Bricel, and Becky Brown each had 8 wins and only 2 losses for a fantastic season.

Girls' Premier Season Successful

Girl's basketball made its debut at Interlake this year. Both the J.V. and Varsity teams proved to be hard working. Throughout the season the girls worked hard at drills, setting up plays and shooting practice. They showed a great deal of enthusiasm in all their games. Every time they went out onto the court to play, they went out to win, but also, to have a good time of it.

After overcoming some early problems, the Saints went on to finish the '74-'75 campaign by winning twelve of thirteen games. They also defeated three teams that were ranked among the top ten in the state while earning a tenth place ranking themselves. They were led by the strong rebounding of John Edwards and Roger Westlund, the scoring and rebounding of Keith Nelson, and the outside shooting of Tom Flynn and Mark Runyan. There were also solid performances from the bench by Steve Anderson, Geoff Ringstad, Mike Imberg and Gordon Harms. Coach Russell stressed defense all year especially the importance of containing the opposing team's offensive gun. Although the Saints finished third in King Co, they had the second best record in the league.

Saints Make Play-offs

The Saints made it to tournament play this year by beating Newport and Juanita for a berth in the district tournament as KingCo's No. 3. team. They then played Glacier High School, of Renton in an elimination round and lost by three points, ending the '74-'75 season.

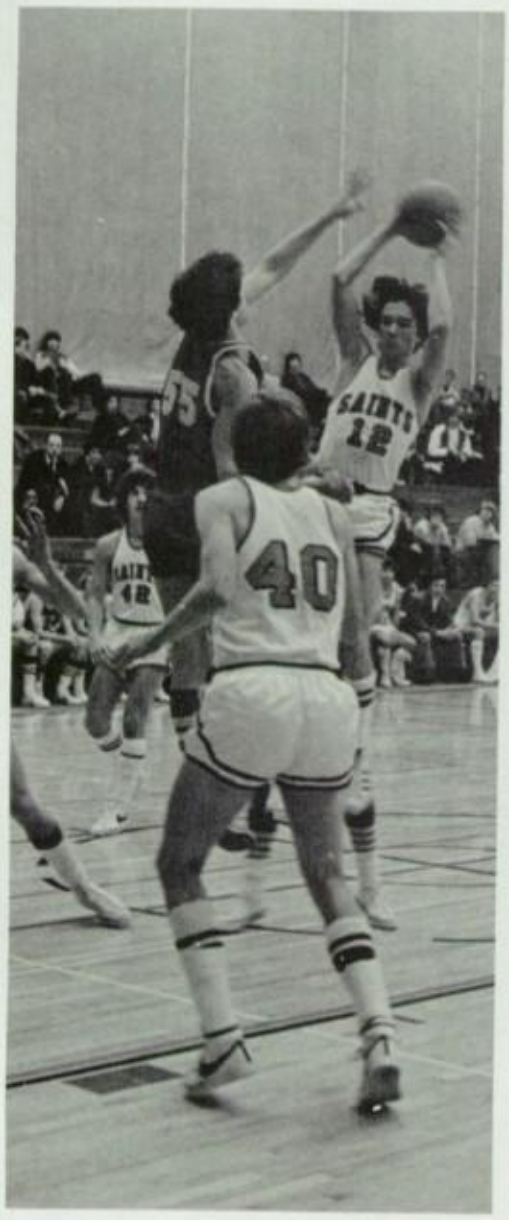
"One At A Time"



Defense was stressed this year in J.V. basketball, which helped the team on to a great season. The team, which was made up of ten juniors and one sophomore, lacked height, but they were not short of ability. Coach Akita emphasized "One at a Time", which is why the Saints were on top at the final buzzer.

Kneeling: Tom Nickerson, Coach Jerry Akita.

Top "Dogs" Of The Future

The sophomore basketball team had the attitude and desire to become the top "Dogs" in the future. The team played the kind of defense that won games and displayed the offensive skills that made them a baskteball team to be reckoned with.

Kneeling: Coach Landers and Coach Green.

'74-'75 A Building Year For Young Saint Grapplers

Although the Saints win-loss record was not too impressive this year, the season was by no means unsuccessful. Interlake had several wrestlers that did well at the King Co tournament. Doug Suzuki took fourth at 101, Lindsay Hargett captured second at 122, and Greg Shelton got fourth at 141. All three will be back next year as will most of the varsity team. For this reason, next year's team should be very strong. The young team gained a lot of experience this year working under the new head coach, Thurmond Landers. Next year coach Landers' program will be firmly established and he is confident the team will go on to bigger and better things.

Gymnasts Spring Into ACTION

Interlake's gymnastic record for the 74-75 season was 5 wins, 5 losses, finishing 6th in the conference. At sub-regionals the team finished second and sent on to regionals and finished 4th out of 22 schools. At regionals, the Saints managed to defeat Mercer Island and Inglemoor whom they had lost to earlier in the season. This year was the first that Interlake qualified as a team for regionals and only missed qualifying for the state tournament by 13 points. For the last three years the team has progressed and is looking for even greater success next year.

Out of fourteen girls that finished the season only four are seniors: Sue Kelnhofer, Sylvia Dillon, Chris Dodson, and Leslie Post.

Lyn Osborn was #1 in the region this year as an all-round and finished third in the state competition.

SENIORS

Janet,

Oh no, what are we going to do, only two weeks more then no more Mason and no more Byron. I know it's going to be tough on you waiting until next fall to see them again, maybe you should take summer school! How gross. Well I actually survived my first Semester at Interlake, and I couldn't have done it without your guiding hand, leading me to a world of insanity every 7TH period. I've decided that the only way to survive here is through temporary insanity. Thanks for all those great memories, the 7-11 parking lot, your grand exit from history after the ~~hist~~ test and so many more! Have a fantastic vacation and be a good girl, okay? I hope you find the man of your dreams this summer, 6'2", blue eyes, shaggy beard, the wet-look hair, ugly arms and fun to watch chew gum. If you don't find him you'll have to settle for a M.S., P.K. or Chic.

I guess I should stop exciting you with all these exciting ideas. I've got to digite more so that it will look like you're really popular. Should I sign this with a guys name so all your friends will think you have a boyfriend? I think I will. In conclusion, I'd like to say that I hope you have fun this summer even though that'll be hard with Walrus and Byron baby. Hope I'll be seeing you this summer. Love,

Jo Frazier

Class of '75

This year's senior class officers were some of the hardest workers in Interlake history. The Class of '75 sponsored many events throughout the year, including the annual student-faculty basketball game, a gas raffle, bumper-sticker sales, the Christmas Ball, and a professionally done slide show, featuring the many facets of Interlake student life.

President Jeff deRoulet, Vice President Diane Murray, Secretary Toni Puzzo (not pictured), and Treasurer Jim Hirst earned the respect of Interlake's students and faculty by their dedication to the senior class.

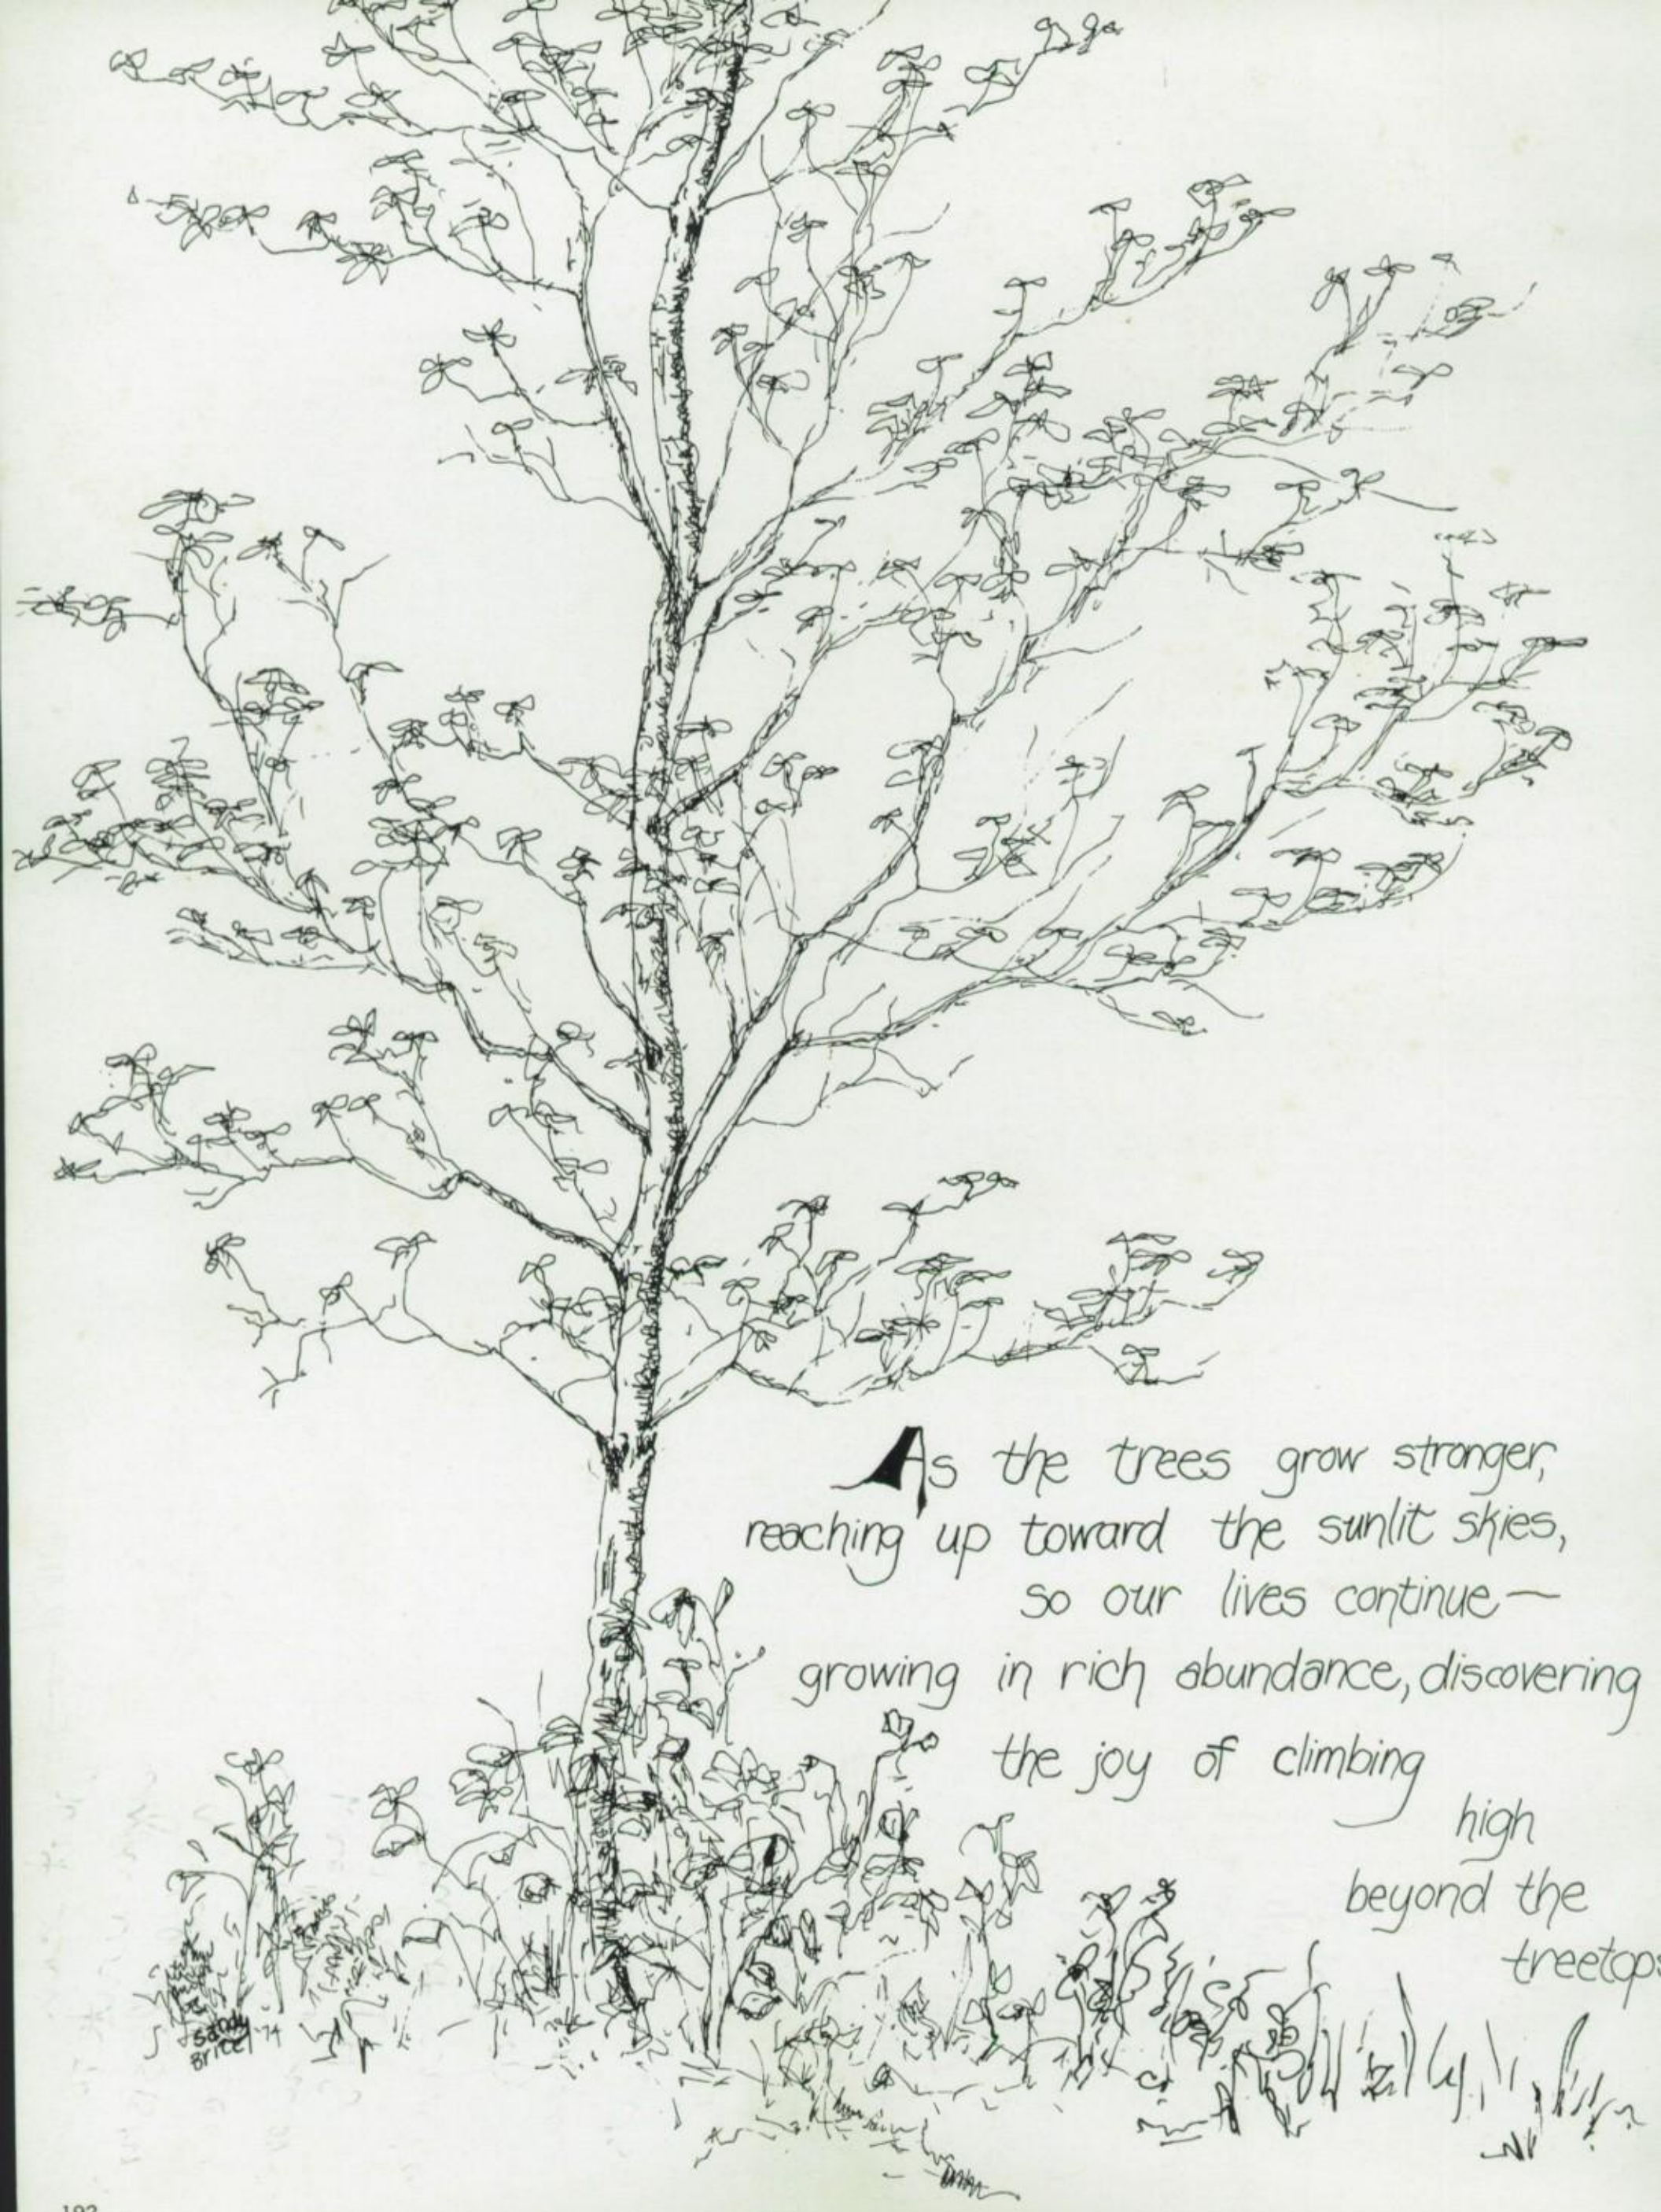
Jay bird → what can I write to you write to your little sister, a little sister, a little sister, I hope your year here is more one word of advice from an old pro - it's hard for us Zimmermans to act vulnerable but if you feel like that - act like it. because that's the only way people will respond. you have to go to them. I sincerely hope you enjoy yourself.



As the trees grow stronger,
reaching up toward the sunlit skies,
so our lives continue—
growing in rich abundance, discovering
the joy of climbing
high
beyond the
treetops

Janet,
I wish I would have known you first semester because second semester was so much fun. You gotta watch out for Loti because she's pretty strange! Have a good summer and I'll see you next year.

Love
Kard

Janet,
Bonjour! Wasn't French a scream? Especially when we sang? And the French dinners & also the picnic! Were you in our plan about the thermos? It was a winner, although we didn't go through with it. I just might take French again - so? Well, Have a super summer & I should see you next year.

Love,
Sarah

Janet stupid to
Quick. I have been
Challenge of this glorious
the end of this had been at other times
year. We had other year
marathon & at next year
year, & Have fun!
too.
Should
Quinn? Love,
be o.k. Terri

Janet,
Ummm, Guess
what, Guess
what, Guess what you were? I'm
glad you were or I'd
miss you
one
hell of
fun. Even though
we
didn't
make
the
finals. I
learned
a lot
from
you.
Thanks
for
everything
Mary Beth

Janet,
I just love
cornbeds. The
Marathon was a lot
of fun. Even though
we didn't make
finals. I love
your pictures,
next time
don't
forget
your
camera!
Have
a good
summer
and
see
you
next
year.

Love,
